# Bringing clarity to a confusing real estate market.

I have been a trusted advisor to homeowners just like you, and have the answers you need.

Although I specialize in properties in the Town of Brookhaven, I work with clients across Suffolk County, and can also assist in Nassau County.

Backed by Coach's Relocation Department, I can also assist you in buying or selling property anywhere in the world.

I work with buyer and seller clients, ensuring that their needs are met whether working with clients buying their first house, or selling the place they've called home for decades. Through-out the process I can recommend service providers with specialized knowledge in their field. Whether you need a mortgage, an attorney, a moving company, a painter, electrician or an expediter, I'll make it easier for you to achieve your real estate goal that much quicker!

List your home with me.
